

MEMORANDUM

From: Linda Cunningham Goldstein/GMU/OLLI INSTRUCTOR
Re: Requested Information/Restoration

Please be advised that this list contains the names of "suggested" Restoration Experts; I can, in no way, suggest one over another! There are many other Restoration Experts in the various fields out there, but to name all of them would require me to write a small book! These are not necessarily in alphabetical order. Please remember that phone numbers change as well as addresses--don't forget to double check!
