## Understanding the Different Dementias: One Size Does Not Fit All

**Teepa Snow, MS, OTR/L, FAOTA**

**University of North Carolina at Chapel Hill and Duke University**

Learn valuable information about common forms of dementia, such as Alzheimer's disease, vascular dementia, Lewy body and frontal-temporal dementias, and their distinguishing characteristics. Teepa Snow will present practical applications and hands-on insight including everyday tips and techniques for professionals and family caregivers of those with all forms of dementia.

*This event is open to professionals and the general public. It is part of an ongoing series by partners whose common goal is to serve as educators and advocates for those affected by memory loss.*

**Join us Monday, April 1 at Belmont Country Club**

**Lunch & Presentation 11:30 AM - 2:30 PM**

Belmont Country Club: 19661 Belmont Manor Lane, Ashburn (703-723-5330)

\$25 per person or \$200 for a table of 10. Lunch included.

**RSVP**

*Space is limited!* Contact Sandra Fields at [sfields@greatfallsassistedliving.com](mailto:sfields@greatfallsassistedliving.com) or call **703.421.0690** to register or for more information.

To register online, visit <http://bit.ly/TeepaSnow> (link is case sensitive).

**We look forward to seeing you there!**
