

R410 - Short Stories : Alice Munro
OLLI Winter Session 2016 - Reston
Kay Menchel

In this class we will read Alice Munro's stories, from the collection: *Hateship, Friendship, Courtship, Loveship, Marriage*. Munro, described by the Swedish Academy as a "master of the contemporary short story" when it awarded her the Nobel Prize for Literature in 2013, is one of the most important and influential authors of her time. Her stories are both spellbinding entertainments and meaningful examinations of the small, potent moments in a life that can prompt powerful realizations.
