

Clase 5 – conversación en español

Go to these sites on your computer (in this order please) to work with verb conjugations:

1. StudySpanish.com (verb drills #4 – regular verbs in the present tense) At the bottom of the page click on Click to generate unique quiz and do as many quizzes as you want.
2. VideoEle.com and then nivel A1. Scroll down until you get to En el presente and watch the video. Then find Actividades interactivas under the video and do the actividades.
