

25th Anniversary Gift

Make an Impactful Donation Today

Help Mason Veterans Bridge Gaps!

OLLI to the Rescue! Helping Mason Veterans Bridge the Gaps will give the Office of Military Services (OMS) at George Mason University the opportunity to provide emergency relief funds to help veterans and dependent family members to overcome financial crisis.

Five years ago, to honor OLLI's 20th anniversary, the Office of Military Services received a substantial gift from OLLI. Those 20th anniversary funds provided a significant impact in the lives of Mason military veterans and their families, and resulted in a comprehensive support network for student veterans, military connected students and their families.

Today, OMS has identified how OLLI can help again by supporting veterans' needs for unforeseen circumstances that VA benefits do not cover. By providing "rescue" funds, students will be better able to pursue their degree unimpeded by life's unexpected obstacles big or small. A designated donation to OMS can make an enormous difference in the lives of Mason military veterans and their families.

Please use the form below to make a donation. Help us help those who served our country and have made sacrifices to ensure our freedom.
