TO WELCOME NEW MEMBERS

Please take out your calendars and mark 10:30 on September 3 at Lake Anne, Reston, and/or September 8 at Tallwood for the new member open houses preceding the beginning of the fall session. The membership committee and the Reston support committee look forward to hosting these events for those who are interested in joining LRI or who have recently registered. Tours and information will be provided and the hospitality committee will offer their usual delicious refreshments.

At this time, members are asked to provide names and addresses of people they think might be interested in the LRI experience. Please submit names to the office or place them in the suggestion box for inclusion in the mid-August mailing.

The membership committee reports that participation in the Inova Fair resulted in a number of mailing list requests. Additional names are expected as a result of participation in the Reston Festival on July 10 and 11.

The Mason Spirit, the George Mason alumni magazine, had an excellent one-page article with color photographs on LRI and another article is expected to appear in NARFE (the federal employee newsletter) in the near future. These kinds of publicity further our exposure to the public, help to support LRI, and increase our membership.
