OLLi Players Brings Down the Curtain

*By Kathie West, OLLi Players Director*

After 16 years of performing, OLLI Players is hanging up its hat. We started as a drama club in 2006 and then went to channel 10. We then started road performances from Haymarket to Alexandria and Loudoun and in between. We performed for the Fairfax Board of Supervisors and were also asked to do scam skits for TV. We performed at libraries, nursing homes, senior centers, memory care homes, independent and assisted living centers, and of course OLLI. We are listed in Northwest Senior Theatre in Oregon and have performed for them in Washington, DC.

In the 16 years, we have written five Murder Mysteries, an Oktoberfest Play, two Christmas programs, and a Veterans Day play. We have performed at 35 venues and performed over 70 different pieces of theatre. We have become a family that has changed over the years, and we have lost some beloved members. We kept on going and getting new members all the time. Each member has their own special offering, and it was fun.

From the 16 years, we still have three original members with us, Sandy Lisiewski, Manny Pablo, and me. We laughed and cried and yelled and screamed but the show went on. So, without further ado, the OLLI Players bring the curtain down. Thanks for the memories.

Food and Drink Guidelines at Campus Social Events

By Marilyn Harriman, Social Activities Chairperson, and Dick Crawford, Health Advisory Workgroup

As OLLI starts the new calendar year, the Social Activities Program Planning Group is looking forward to hosting social events, either stand-alone or activities in conjunction with clubs and committees.

Social events and food are important to our OLLI experience and we are excited to be getting back together!

The OLLI Health Advisory Workgroup has met and is advising event organizers about food and beverages served on campus.

It is possible to enjoy safe communal dining while practicing social distancing and best practices regarding the handling of food.

There is no evidence of food or food packaging being associated with the transmission of COVID-19. The virus that causes COVID-19 is one that causes respiratory illnesses and is not known to be transmitted by exposure to food.

I think we all know it is much more likely that an infected person will spread the virus through person-to-person transmission rather than contaminated food or food packaging material.

The workgroup advises the following practices:

- Food and drink will be served with no direct contact with the food or beverage when served.
- Snacks such as cookies and pretzels will be pre-packaged, wrapped in plastic, or available using proper utensils, containers.
- Homemade goods may be self-serve as long as proper utensils are available (e.g., spatulas, tongs, spoons, toothpicks), or in individual containers, such as brownies in paper cupcake liners.
- Coffee, hot tea, cold beverages can be served in break rooms and classrooms.
- Volunteers wearing plastic gloves may serve foods such as pizza.

Health Advisory Workgroup members who are in committees and clubs will serve as resources for food advisory questions and guidelines.

As OLLI restarts social activities on campus, these guidelines will apply to three upcoming events:

- OLLI Fall Kick-Off Coffee at Tallwood, September 15, 10-11:30
- Grab 'n Gab Coffee Klatch at Tallwood, October 14, 10-11:30
- Halloween Party at Tallwood, October date, time to be announced.

The Social Activities Program Planning Group is looking to expand opportunities for food at future OLLI events. As COVID conditions remain in flux, the Health Advisory Workgroup will review guidelines as part of planning for the future.

Look for news of additional social events on E-News as well as in the catalog.

Bon Appétit!

Poet's Corner

Home Away From Home

Over the long silver expansion
Bouncing sunlight off the steel
High over the glittering reflection
Leading me to a different real

Onto the island of crab and water
Rest wine and food abound
Routine rhythm and rules to alter
A release from the daily routine found

Friendship warming the way to relaxation
Fellowship new and old so inspire
A break from the routine to vacation
The home away from home to desire
